

QuickRinse Mini

Remove small eye irritations right away!

With the new QuickRinse Mini you will always have an eye wash solution close at hand and be ready for small eye irritations caused by for instance dirt, dust or just dry surroundings. The small and practical pocketsize packaging can be placed, where you need it and offers a quick and easily accessible eye wash, designed for your comfort.

With QuickRinse Mini you will get:

- 4 disposable eye wash ampoules with 20 ml 0.9 % sterile sodium chloride
- Effective and hygienic eye wash
- Quick and easy help for rinsing dust and dirt out of the eyes
- At least 3 years shelf life on unopened ampoules
- A handy packaging which can be placed in the glove compartment, the tool box, in the bag, in a pocket, first aid kit etc.

The product is available in:

Productname	Art. No.	Content
