CLEANING AND DISINFECTION

**YOUR SHORTCUT TO EFFECTIVE
SURFACE CLEANING AND DISINFECTION**

plum

With WipeClean you save time and increase safety

Take a cloth, wipe off and throw it out. It's as easy as that. At the same time you are sure to have the correct dosage of detergent or disinfectant for the job. We have developed a range of wipes for cleaning and disinfecting loose items and hard surfaces. They fulfil every need and break the chain of infection – easy, quick and safe.

Universal Cleaning

Disposable wipes for cleaning all surfaces that can tolerate water e.g. in/at hospitals, nursing homes, sanitary rooms, day care facilities, clinics, airplanes, trains, ferries, cars and offices.

Art. No.:

5231 Small - 25 wipes 20 x 30 cm.

5232 Large - 20 wipes 43 x 30 cm.

Ethanol Disinfection 80%

Disposable wipes for disinfecting loose items and hard surfaces that tolerate alcohol e.g. in the health sector and food industry. Ethanol Disinfection 80% wipes do **NOT** contain soap. Approved according to a number of efficiency standards for bactericidal, virucidal and fungicidal effect. Proven effective against norovirus in accordance with EN 14476.
